

OFERTA LATO / JESIEŃ 2024

OFFER SUMMER / AUTUMN 2024

Szanowni Państwo,

Zapraszamy do zapoznania się z ofertą naszej szkółki, która skierowana jest do odbiorców hurtowych, szkółek, centrów ogrodniczych, firm zakładających tereny zieleni.

Przy większych zamówieniach oraz w przypadku poszczególnych roślin upusty ustalamy indywidualnie.

Przyjmujemy płatności gotówką, kartą oraz przelewem.

Ceny hurtowe są cenami netto. Posiadamy status rolnika ryczałtowego - nabywcy będący płatnikami VAT wystawiają sprzedającemu fakturę VAT RR i doliczają 7 % ryczałtowanego podatku VAT. Ceny loco szkółka.

Zastrzegamy sobie prawo do zmian cen w trakcie sezonu.

Rośliny oznaczone symbolem * są w trakcie ukorzenia .

Niektóre byliny i trawy możemy przygotować na zamówienie w mniejszych doniczkach.

Wholesale prices are net prices. We have the status of a flat-rate farmer. Polish buyers who are VAT payers issue a RR VAT invoice to the seller and add 7% flat-rate VAT.

Prices do not include transport costs.

We accept payments in cash, card and bank transfer.

For larger orders and for particular plants, we set discounts individually.

We reserve the right to change prices during the season.

Due to the dynamically changing plant stock, before placing an order, please contact us by phone or e-mail to confirm availability.

Some perennials and grasses can be prepared – when ordered – in smaller pots.

Plants marked with * are in the process of rooting.
